

PORTABLE LIFT CHAIRS LLC BASIC FRANCHISE CONTRACT AGREEMENT

INTRODUCTION:

A franchise is a right granted to an individual or group to market a company's goods or services within a certain territory or location. Some examples of today's popular franchises are McDonald's, Subway, Domino's Pizza, and the UPS Store.

There are many different types of franchises. For the most part many people associate only fast food businesses with franchising. Where In fact, there are over 120 different types of franchise businesses available today, including automotive, cleaning & maintenance, health & fitness, financial services, and pet-related franchises, just to name a few.

If you are thinking about buying into any franchise system:

It is important that you understand exactly how franchising works:

An individual who purchases and runs a franchise is called a "**franchisee**." The franchisee purchases a franchise from the "**franchisor**." The franchisee must follow certain rules and guidelines already established by the franchisor:

What is expected of you from the franchisor?

- a, You agree/to treat your franchise business very serious and promote our products
- b, You agree/to advertise by word of mouth and use other social media of your choice
- c, You agree/to try to constantly get the word out at least once a day
- d, You agree/to represent yourself in a professional manner at all times
- e, You agree/to assume any and all risks that are associated with being a franchisee
- f, You agree/to sell our products as suggested retail price on our website
- g, You agree/to be of the legal age of 18 years or older
- h, You agree/to and understand that **Portable Lift Chairs LLC** - is giving you the opportunity to become a successful FRANCHISEE and you realize that in order to get your initial investment back you will need to start selling our products once you receive your franchise kit from us
